# ADMINISTRATION FOR CHILDREN AND FAMILIES

## REQUEST FOR APPLICATIONS

- AGENCY:** U.S. Department of Health and Human Services, Administration for Children and Families (ACF)
- ACTION:** Announcement of availability of funds and request for applications to sponsor an Early Head Start program in **Erath, Palo Pinto, Johnson, Parker, and Hood Counties, TX.**
- SUMMARY:** The Administration for Children and Families solicits applications from local public or private non-profit or local for-profit organizations that wish to compete for funds which are available to provide Early Head Start services in the following service area within **Erath, Palo Pinto, Johnson, Parker, and Hood Counties, TX: the entire counties of Erath, Palo Pinto, Johnson, and Parker Counties; and the Cities of Granbury, Lipan, Thorspring, Acton and Tolar in Hood County (Service Area # EHS-TX-173).** Faith-based organizations are eligible to apply. The Head Start Act authorizes the Secretary to designate as an Early Head Start agency any local public or private nonprofit or local for-profit agency within a community. In the remainder of this document the term “Early Head Start program” means an Early Head Start program which serves pregnant women and children from birth to age 3.
- The funds available in this competition will be awarded to applicants who compete for select service areas that are open for competition. The select service areas that are open for competition are communities that received Early Head Start grants for five year project periods. Upon completion of the five year project period, the funds are recompeted in the service areas where Early Head Start services are currently being provided. These are the only service areas open for competition in this Announcement.
- The intent of this announcement is to provide for the continuation of services in the service area defined above within **Erath, Palo Pinto, Johnson, Parker, and Hood Counties, TX.** Funds in the amount of approximately **\$1,838,308** annually will be available to provide Early Head Start program services to eligible children and their families.

The current grantee is funded to operate an Early Head Start program until **August 31, 2003** in the above service area. Head Start regulations allow for a variety of program options and designs. Applicants should propose a design or designs that best address the needs of the proposed service area. Applicants have flexibility in determining the appropriate number of children to be served by the various program options (center-based, home-based, or combination) and program designs (hours per day, days per week, weeks per year.)
